### and Even More...

- Electronic library catalogue locally and on [www.stadtbibliothek-oldenburg.de](http://www.stadtbibliothek-oldenburg.de)
- Internet-Terminals

## Registration ...

- Adults may register themselves by presenting their identity card or their passport along with their certificate of registration (for proof of residency).
- Children and youth under 16 are requested to provide a letter of parental consent. You can obtain this form at the Oldenburg Public Library or on [www.stadtbibliothek-oldenburg.de](http://www.stadtbibliothek-oldenburg.de).

## Library card ...

- The library card is valid at all our branches.
- Your library pass is non-transferable. Please keep it safe so that no unauthorized person can borrow library material on your name. Please inform us about changes concerning your name and address and also in the case of the loss of your card.

## Borrowing Library Material ...

You can normally borrow media for a period of four weeks. For some media there are special loan periods. Therefore, please take note of the due date on the receipt given to you. In addition, please examine your loan for its full entirety.

## How to Extend the Loan Period ...

Generally it is possible to extend the loan period for the borrowed media up to three times. Exceptions to this regulation are the following media:

- Titles which are being held for other customers
- Bestseller (subject to charge) and our brand new copies of magazines

Renewals made locally and on the internet are free of charge. For any other renewals a charge of a fee of € 0,50 will be incurred.

## Internet ...

At all of our libraries, we provide the use of internet terminals free of charge. If you would like to take advantage of this offer, please present your valid library card.

## Customer account ...

Through the electronic library catalogue you can choose from the functions below:

- Loan account / renewals
- Reservation to list
- Charge account to list
- Shortinformation

Userfunctions through the Internet are only available to registered users, which own a valid library card.

## Information service ...

Our information service supplies fast and direct library information by text message or e-mail:

- Notices about reserved media
- Reminders for overdue materials

If you would like to use this service, you can register in the library catalogue with the number of your library card and your password.

## Online Loan Service ...

Our homepage allows round-the-clock usage of our loan services for digital media. Our online loan service offer a variety of options: aside from non-fiction literature and novels as E-books or Audiobooks, we also offer the magazine "Der Spiegel" and a selection of videos. Our online database is located on [www.stadtbibliothek-oldenburg.de](http://www.stadtbibliothek-oldenburg.de).

## Munzinger Archive ...

The MUNZINGER ONLINE publication system provides fast and regularly updated, quotable information on internationally famous people, music, regional studies as well as German and foreign-language literature. This service is available free of charge to holders of a library card of the Oldenburg Public Library. You can also use the library catalogue for convenient online research.
